During a night of “treat yourself” glam and indulgence, National Auto Parts Warehouse Companies (NPW) honored parts suppliers at its 11th annual Million Dollar Dinner hosted at the Tower Club in Fort Lauderdale with skyline views of the city. Each year, the event recognizes the company’s top suppliers that have done \$1 million or more in sales with the auto parts distributor. US Motor Works is proud to be one of the brands receiving this award for 2023.
