WARRANTY POLICY - US MOTOR WORKS, LLC

- USMW Professional Series brand of US Motor Works, LLC products are warranted to be free from defects in material and manufacture, under normal use and service.
- US Motor Works coverage will extend a full 12 months from the date of installation in an engine regardless of mileage or hours.
- US Motor Works will cover (replace free of charge or pay for) all labor and parts needed to repair the warrantable failure, including progressive damage to the engine concerned.

Conditions of the warranty are:

1. US Motor Works must be notified by the customer before filing a warranty claim.
2. All warranty claims must be in writing and US Motor Works reserves the right to examine every single engine or part subject to a claim under this warranty
3. Price of parts will be based on the US Motor Works current price list or other accepted suppliers at US Motor Work's option. Cost of labor will be of reasonable hourly flat rate (overtime or holiday rates are not accepted).

The warranty is also subject to the following limitations:

1. The provisions of this warranty shall not apply to any US Motor Works (USMW) brand part altered from its original specification (including but not limited to alterations in packaging and/or markings) or which has been misused, exposed to weather conditions, negligence or damage by accident.
2. The warranty shall be null and void, if the engine or vehicle is not maintained to the suggested OEM level. All receipts and records should be accounted for in the event it is requested for the warranty analysis.
3. This warranty is provided solely to direct customers of the US Motor Works and not any other party. It is the only agreement or obligation of US Motor Works. All other warranties, expressed or implied, including the warranties of merchantability and/or fitness for a particular purpose, are excluded.

TIMING KIT WITH WATER PUMP

Do the job once, do the job right!

Kits include all the parts necessary for a complete job done right! Replacing all the timing belt system components and water pump at the same time assures the entire system will operate and perform correctly and to the OEM specifications. Our kits provide all the components designed to work and fit together to the optimum conditions. By combining these components into one kit you and your customers save time, increase sales and decrease potential returns.

HUNDREDS OF SKU'S FOR THE LATEST IMPORT AND DOMESTIC MAKES & MODELS

NEW USMW PRO SERIES WATER PUMP

- Case hardened bearings
- Precision machined surface
- Metal impeller integration

HIGH QUALITY OE REPLACEMENT TENSIONERS

- Designed and built to OE specifications
- Manufactured with long-life bearings

OE MANUFACTURED TIMING BELT

- Manufactured to OE specifications
- Guarantees quality
- Designed for exact fitment
- Allows worry-free installation and operation

More Cooling Power...

Fan Clutches

Don't forget to replace your fan clutch when replacing your water pump.

Max Cooling Kits

By providing a kit that replaces both fan clutch and water pump you reduce the need for upsells and returns because of premature failure of a new part.
